

Advertising Claims Form

The Apple Advertising Services Customer submitting this document represents, warrants, and confirms that all claims and representations in the Customer's advertising content, including but not limited to references to data, statistics, survey results, or quotations within the Customer's advertising content disseminated by Apple Advertising Services, including the claims specified by Apple's account Reviewer Notes, are accurate, true, adequately substantiated, properly cited, and not deceptive or misleading, and that the Customer can provide the materials supporting the claims to Apple upon request at any time. Otherwise, the Customer shall indemnify Apple against all losses, including without limitation damage, liabilities, costs (including without limitation attorneys' fees), expenses, etc.

Customer Chop (if available)

Customer Signature (if chop is not available)
